Debtor.)	

The Chapter 13 case of Daphonnie Rochelle Buchanan (the “Debtor”) came before the Court on March 4, 2015 on the objection by the Department of Education to confirmation of the proposed Plan. All interested parties having received proper notice, appearing at the hearing were Edward Boltz, Debtor’s Counsel; Cheryl T. Sloan for the U.S. Department of Education; Robert E. Price, Jr., Assistant Bankruptcy Administrator; and Kathryn L. Bringle as Trustee.

The parties agree that the language in the proposed Plan concerning the Debtor’s student loans and the Department of Education should be substantially revised. The Court finds that cause exists to sustain the Department of Education’s objection to confirmation of the Plan. The Debtor will have thirty (30) days to propose a new Plan; therefore, it is

ORDERED that the objection by the Department of Education to confirmation of the proposed Plan is sustained and confirmation is denied; and it is further

ORDERED that the Debtor will have a period of thirty (30) days from entry of this Order to file a new Plan with the Court.
